Terms and conditions of supply

Version 4.2, effective 1 July 2026

1. Interpretation

The Customer shall provide the Supplier with such information and materials as the Supplier may reasonably require in order to supply the Services, and shall ensure that such information is complete and accurate in all material respects.

The Charges for the Services shall be as set out in the Order or, where no charges are specified, calculated on a time and materials basis at the Supplier's standard daily rates in force from time to time.

All intellectual property rights in or arising out of or in connection with the Services shall be owned by the Supplier, save that the Customer shall own all rights in the Customer Materials and in the specific deliverables identified in the Order as Customer Deliverables.

2. Supply of services

The Charges for the Services shall be as set out in the Order or, where no charges are specified, calculated on a time and materials basis at the Supplier's standard daily rates in force from time to time.

All intellectual property rights in or arising out of or in connection with the Services shall be owned by the Supplier, save that the Customer shall own all rights in the Customer Materials and in the specific deliverables identified in the Order as Customer Deliverables.

Nothing in this agreement shall limit or exclude the Supplier's liability for death or personal injury caused by its negligence, for fraud or fraudulent misrepresentation, or for any other liability that cannot be limited or excluded by law.

3. Customer obligations

All intellectual property rights in or arising out of or in connection with the Services shall be owned by the Supplier, save that the Customer shall own all rights in the Customer Materials and in the specific deliverables identified in the Order as Customer Deliverables.

Nothing in this agreement shall limit or exclude the Supplier's liability for death or personal injury caused by its negligence, for fraud or fraudulent misrepresentation, or for any other liability that

cannot be limited or excluded by law.

Each party shall comply with all applicable requirements of the Data Protection Legislation, and this clause is in addition to, and does not relieve, remove or replace, a party's obligations or rights under that legislation.

4. Charges and payment

Nothing in this agreement shall limit or exclude the Supplier's liability for death or personal injury caused by its negligence, for fraud or fraudulent misrepresentation, or for any other liability that cannot be limited or excluded by law.

Each party shall comply with all applicable requirements of the Data Protection Legislation, and this clause is in addition to, and does not relieve, remove or replace, a party's obligations or rights under that legislation.

The Supplier shall provide the Services to the Customer in accordance with the Order in all material respects, using reasonable skill and care, and shall use all reasonable endeavours to meet any performance dates specified, but any such dates are estimates only and time is not of the essence.

5. Intellectual property

Each party shall comply with all applicable requirements of the Data Protection Legislation, and this clause is in addition to, and does not relieve, remove or replace, a party's obligations or rights under that legislation.

The Supplier shall provide the Services to the Customer in accordance with the Order in all material respects, using reasonable skill and care, and shall use all reasonable endeavours to meet any performance dates specified, but any such dates are estimates only and time is not of the essence.

The Customer shall provide the Supplier with such information and materials as the Supplier may reasonably require in order to supply the Services, and shall ensure that such information is complete and accurate in all material respects.

6. Limitation of liability

The Supplier shall provide the Services to the Customer in accordance with the Order in all material respects, using reasonable skill and care, and shall use all reasonable endeavours to meet any performance dates specified, but any such dates are estimates only and time is not of the essence.

The Customer shall provide the Supplier with such information and materials as the Supplier may reasonably require in order to supply the Services, and shall ensure that such information is complete and accurate in all material respects.

The Charges for the Services shall be as set out in the Order or, where no charges are specified, calculated on a time and materials basis at the Supplier's standard daily rates in force from time to time.

7. Data protection

The Customer shall provide the Supplier with such information and materials as the Supplier may reasonably require in order to supply the Services, and shall ensure that such information is complete and accurate in all material respects.

The Charges for the Services shall be as set out in the Order or, where no charges are specified, calculated on a time and materials basis at the Supplier's standard daily rates in force from time to time.

All intellectual property rights in or arising out of or in connection with the Services shall be owned by the Supplier, save that the Customer shall own all rights in the Customer Materials and in the specific deliverables identified in the Order as Customer Deliverables.

8. Termination

The Charges for the Services shall be as set out in the Order or, where no charges are specified, calculated on a time and materials basis at the Supplier's standard daily rates in force from time to time.

All intellectual property rights in or arising out of or in connection with the Services shall be owned by the Supplier, save that the Customer shall own all rights in the Customer Materials and in the specific deliverables identified in the Order as Customer Deliverables.
